SOFT SKILLS

- Critical Thinking
- Problem Solving
- Self-Motivation
- Teamwork
- Leadership (through academic projects)
- Adaptability
- Time Management
- Willingness to Learn

TECH SKILLS

- C#, PHP, Python, Java
- HTML, CSS, JavaScript
- SQL, MySQL, Microsoft SQL Server, PostgreSQL
- Visual Studio, Eclipse, Git/GitHub, SSMS, Docker
- OOP, Database Management, Basic Networking, Linux

PROFILE

Computer Science student with knowledge of programming, web development, and database management. Eager to learn, adaptable, and committed to developing practical IT skills while contributing to a professional team.

EDUCATION

Bachelor of Computer Science (B.C.Sc.)

University of Computer Studies Mandalay, Myanmar
Fifth-Year Student | Expected Graduation: 2027

PROJECTS

Bank Management System

FEB 2025 - MAR 2025

Designed and developed a desktop banking application with customer and agent management, account transactions, intrabank/interbank transfers, and transaction history. Implemented Microsoft SQL Server database integration using ADO.NET for secure and efficient data management.

Technologies Used: C#, Windows Forms (.NET Framework), Microsoft SQL Server Express, SQL Server Management Studio (SSMS), ADO.NET

Carbon Credit Trading Management System

FEB 2026 - MAR 2026

Developed a role-based Carbon Dioxide Trading Center system that enables government administrators, trade administrators, and company users to manage carbon credit trading activities. Implemented user management, trading workflows, and transaction record handling to support efficient carbon credit exchange processes.

Technologies Used: HTML, SQL Server Management Studio (SSMS), Eclipse, Tailwind CSS, Java, Spring Boot

ACHIEVEMENTS & CERTIFICATIONS

Achieved 17th place in the Myanmar Cyber Security Challenge (Open Level) in 2025, demonstrating cybersecurity knowledge, analytical thinking, and problem-solving skills.

Received a Consolation Prize in the Arduino Based Bluetooth Car Project Competition held at University of Computer Studies Mandalay on March 20, 2023.
